Objectives of NAYAGARA Files

1. Industrial visit (aka IV) brings clarity to important management concepts, as students get practical experience first hand how these concepts are put into action.
2. Industrial visit bridge the gap between classroom theoretical training and practical learning in a real-life environment.
3. It provides an opportunity for students to ask questions related to their area of interest.
4. With regular industrial visits, the students are able to identify their prospective area of work like marketing, finance, logistics etc.
5. This also gives student a platform to enhance their interpersonal skills.
6. The students get to see the best practices opted by different companies for similar work.
7. Since the IV's are planned in various sectors students find it easy to select relevant organizations for their assignments.
8. Using the case approach within the visit to bring out critical thinking among students.
