Introduction:

The crucial role of language skills in personal and professional life is universally proven. Language skills and soft skills go hand in hand; one is theory, the other is application. In the contemporary era of globalization, it has become imperative to be proficient in both soft skills or life skills or people skills. Therefore, with the objective of equipping students with the vital communication and soft skills to succeed in the highly competitive international arena, the Department of English proposes to offer a specially designed Add on Course in Soft Skills.

This uniquely designed course aims at thorough understanding of the fundamental soft skills and of their practical social and workplace usage. It helps participants to communicate effectively and to carry themselves confidently and in harmony with the surroundings. They also learn how to identify and overcome the barriers in interpersonal relationships, and to employ oral and written communication, teamwork, leadership, problem-solving and decision-making skills, to gain best results.

Students would find this course immensely useful for landing in a great job, building a career and also finding employment as soft skills trainers.
