Session-2

21/03/2023 A.N: Meet the CEO

Mr. G. Naga Sreeram, a software engineer from SIGMA and the CEO of NAVKONE, was a distinguished guest at the college event. With his expertise and leadership in the tech industry, Mr. Sreeram brought valuable insights to the students. His presence added a significant perspective to the discussions and activities during the event. As a successful software engineer and CEO, Mr. Sreeram's experiences and knowledge inspired the students and encouraged them to explore the possibilities in the field of technology and entrepreneurship. His presence made a positive impact on the event, enriching the students' learning experience and motivating them to pursue their goals in the software industry and startup ecosystem.

The CEO made a special announcement to encourage innovation and entrepreneurship. He offered a financial reward of ten thousand to students who could come up with innovative startup ideas in any field. This initiative aimed to foster creativity and entrepreneurial spirit among the student community. The announcement generated enthusiasm among the students, motivating them to think creatively and pursue their entrepreneurial aspirations.
