Session-3

22/03/2023 F.N

A Talk on “Intellectual Property & Patents Rights By Manjushaw Gurindapalli LLB, LLM, M.Phil, Coworker with Crown Court, UK.

Manjushaw Gurindapalli, an experienced professional with LLB, LLM, and M.Phil degrees, and a coworker with the Crown Court in the UK, delivered a talk on "Intellectual Property & Patents Rights." During the session, she emphasized the importance of protecting original ideas through patents. She discussed the benefits of patents in fostering innovation, driving economic growth, and providing inventors and creators with a competitive advantage. Manjushaw Gurindapalli highlighted the need for understanding the legal frameworks surrounding intellectual property and advised seeking professional guidance when navigating the patent application process. The talk provided valuable insights into intellectual property rights and their role in encouraging entrepreneurship and economic development.
