DEPARTMENT OF MATHEMATICS

BEST PRACTICES 2025-26

TITLE : Distribution of Rice bags to old age homes at Challapalli.

OBJECTIVE : 1) To provide comfortable environment.
2) Emotional support to old age people
3) To promote active living
4) To provide delicious food.

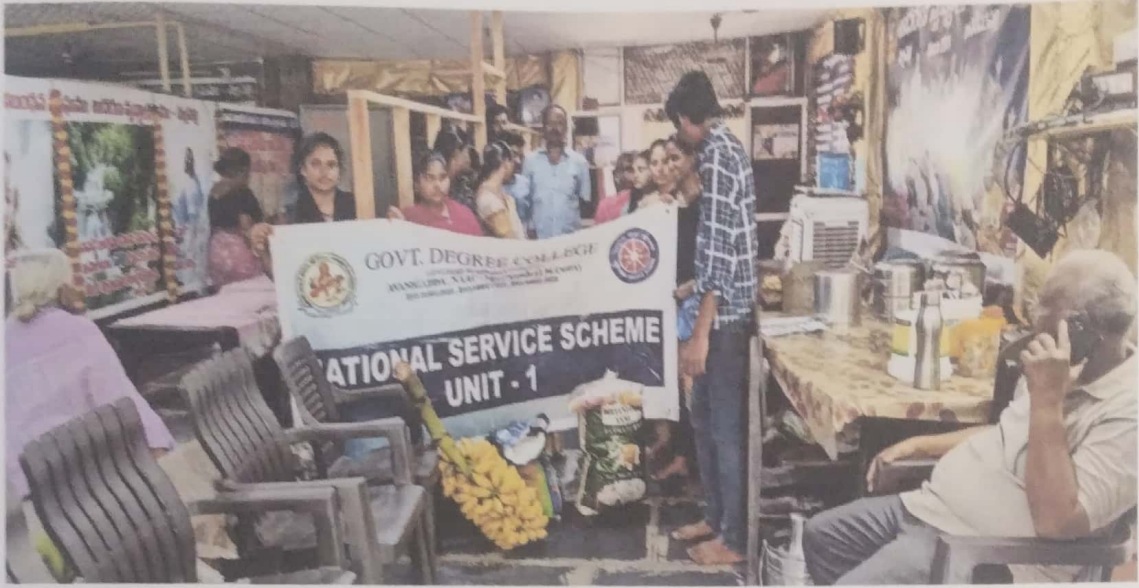

CONTENT : Old age homes felicitate the quality of life for elderly individuals who are not proper family support. After joining in old age homes they lead peaceful life at the last journey of life.

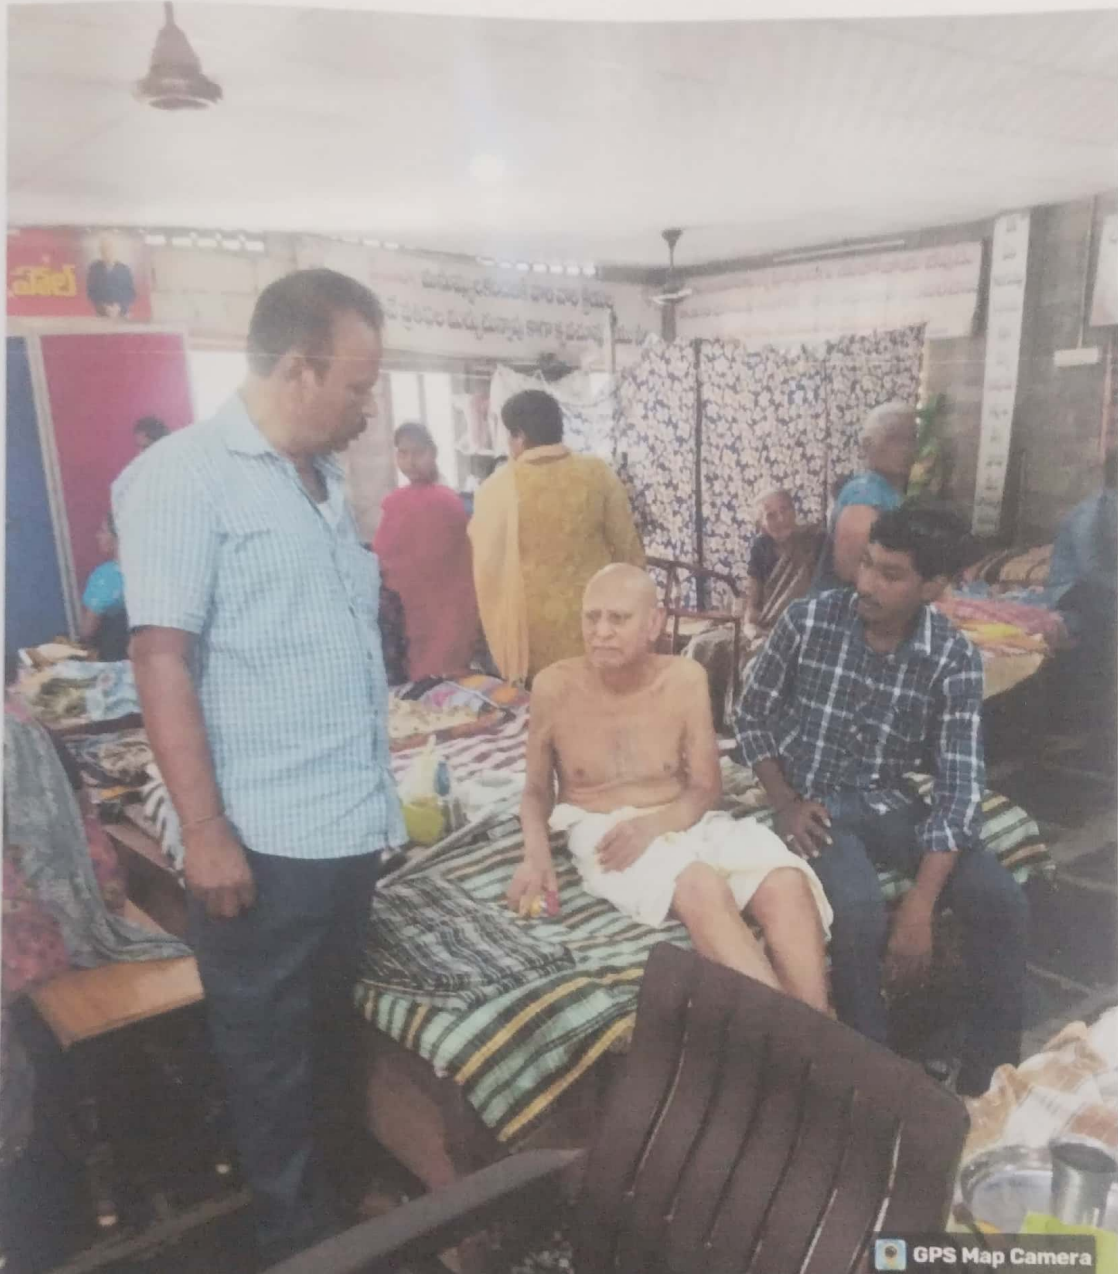

PRACTICE : Sri M.VENKATESWARA RAO visited ADARANA OLD AGE HOME & KRUPA ORPHAN HOME at CHALLAPALLI and gave moral support to elder people and donate rice Bags.

EVIDENCE : Sri M.V.RAO visited and donate 25 kg rice bags to each old age home.

PROBLEMS FACED AND RESOURCES REQUIRED:

Due to lack of family support most of the senior citizens suffered a lot at their final stage of life. They need moral and financial support from the public to run such homes to needy people.

Sri M.VENKATESWARA RAO visited "ADARANA" old age home and "KRUPA" orphan home at CHALLAPALLI on 05-09-2025 along with NSS UNIT-I of Govt.Degree College,Avanigadda.He observed the facilities and arrangements given to the aged people.Both are running by the donations and interest on FD's given by donors ,all over the globe. So many aged people who are bedridden express their sorrows and family problems. It is very sorry to say that local residents also put their parents in these homes and are paying some nominal amount to the office towards the maintenance.

He donate 25 kg rice bags to each home and the students donate rice and cooking commodities collected by them. They gave moral support to those people who are mentally disturbed.

BEST PRACTICES 2025-26

Title : Incentives to Govt Junior college students

Objective : 1. Motivate students to achieve higher grades.
2. To provide financial support
3. To encourage contribution to degree programs
4. To increase self-confidence through recognition and rewards.
5. To reinforce positive behaviour and responsibility.

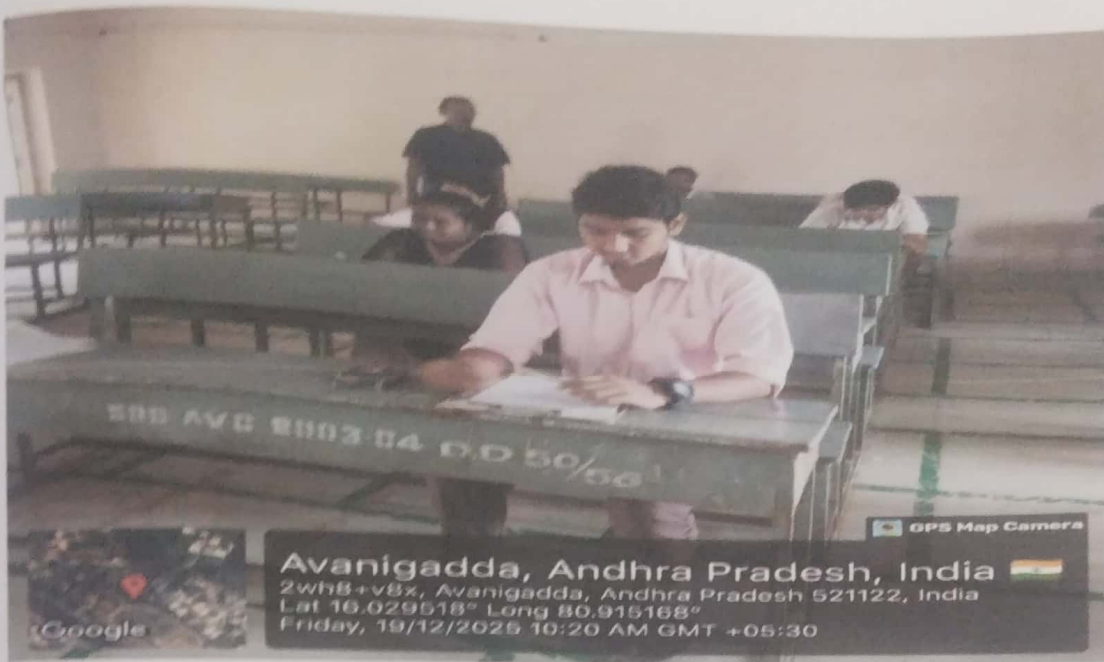

Content : Most of the students studying in High schools and Junior colleges have no suitable platform to exhibit their hidden talents. By Conducting such programs ,they may encourage to some extent.

Practice : The department of Mathematics conducted an essay writing competition to senior and junior inter MPC students of nearby Government Junior College. The announced title is " Why most of the students are afraid of Mathematics". In total 8 students participated in this competition. Cash prizes worth Rs500, Rs400, Rs200 were announced to 1st, 2nd, 3rd prize winners.

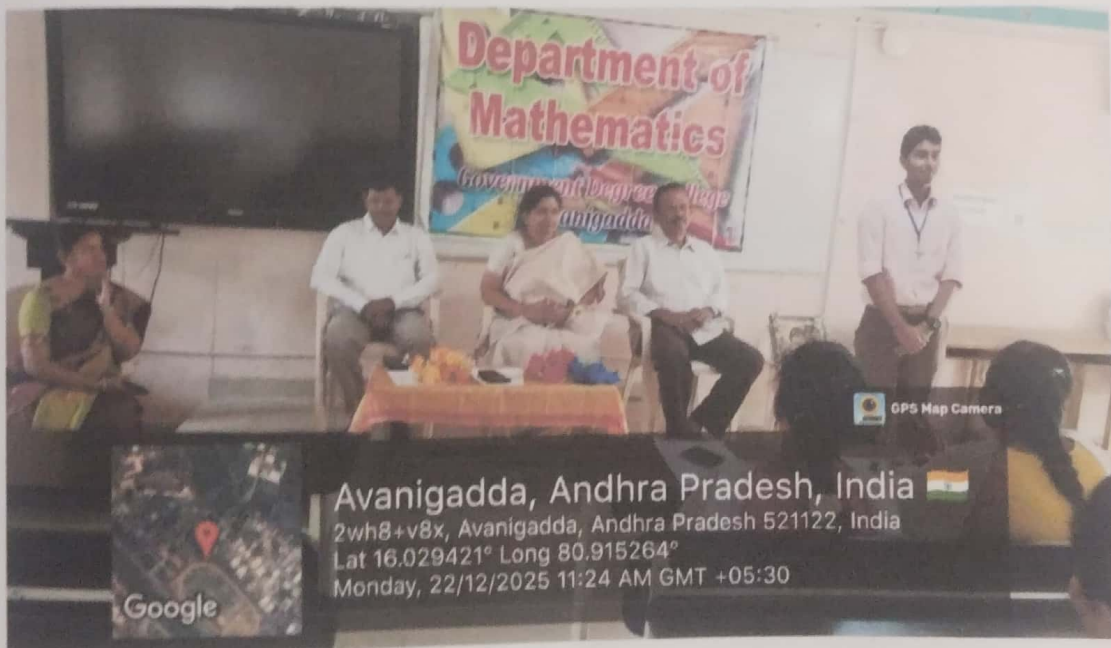

Evidence: We conducted the Essay Writing competition on 19th December, 2025, Friday at SB3 for one hour and the prizes given to the winners on 22nd December, 2025 in National Mathematics day celebrations.

Problems faced and resources required:

Most of the students are not interested to participate, though we encourage them frequently in their class rooms and also through concerned staff members.
