

CAREER COUNSELLING PROGRAMME

On 19th November 2021

Organised by

Department of Physics

Government degree College, Avanigadda

Career counselling is an essential factor for identifying the real potential and guiding students towards a right career path. Students need to know the importance of career coaching and right guidance before they are going to choose an academic stream after taking the UG exams.

Career counselling will be helpful to choose a career goal planning and give a direction to students for a better future ahead keeping in this mind the department of physics and electronics arranged a career counselling programme for physics students of B.Sc Physics on 19th November 2021 by Sri Dr P.B. Sandhya Sri HOD physics. She explained the opportunities for higher studies as well as job after completing graduation with physics as one of the subjects.

She emphasized on jam she shared the information about reputed institutions like IISER, IIT and IISc for pursuing their MSc. She also shared the information about central universities as well as other universities of AP. She specially informs that the students about agricultural physics which has a wide job opportunity the ISRO MSc course details are also given to the students.

The students were benefited with this program a lot we are expecting some of the students may turn towards JAM we ever be grateful to the management and administrative authorities of the college for giving us this opportunity to share the information to the students about higher studies as well as jobs.
