### ABOUT THE PROGRAM

Now we are following the "Double Entry system" of Accounts on worldwide before this system the origin of Accounts system was "single entry system" in this single entry system of Accounts were written only personal Accounts. But there are many benefits in this system.

"viz" It is simple to understand and write. On the basis of this system the Double Entry system was developed

— the main purpose of conducting this program is to understand the root cause of the single entry system.
