

**AN INTERACTION PROGRAMME  
ON  
MAKING INNOVATIVE PROJECTS  
IN ASSOCIATION WITH  
DEPARTMENT OF PHYSICS  
ACHARYA NAGARJUNA UNIVERSITY  
ON 31.12.2021**

As the environmental and energy issues are being increased day by day, everyone should be prepared with his/her own solution to the issue faced by them. To inculcate the research orientation at school level itself, the government has started the INSPIRE. As a part of this, Dr. P. B. Sandhya Sri, lecturer in Physics of GDC, Avanigadda and mentor for teachers of Andhra Pradesh appointed by SCERT associated with Prof. V. Ravi Kumar & Dr.G.Naga Raju, Professors of Physics, Acharya Nagarjuna University, Guntur for designing innovating projects for school children. Innovative ideas were shared and discussed with the professors. Final Ideas were presented to Mr. Mynam Hussain, DSO, Krishna Dt & Mrs. Tahera Sultana, DEO Krishna Dt. Prof. D.Ramachandran, Professor of Chemistry, Acharya Nagarjuna University, is also participated in this programme.

**Sharing & Discussing with Professors of Physics, ANU, Guntur  
on innovative Ideas for INSPIRE Projects**
