CIRCULAR

**Subject: Observance of World Bicycle Day, 2022 on 03rd June, 2022 –
reg.**

World Bicycle Day is observed on 3rd June, 2022 every year recognizing "the uniqueness, longevity and versatility of the bicycle, which has been in use for two centuries, and that it is a simple, affordable, reliable, and clean and environmentally fit sustainable means of transport.

2. In view of the above, it has been decided that World Bicycle Day 2022 will be celebrated with zeal and vigor. Accordingly, it is requested that bicycle rallies may be organized throughout the country whereby placards/banners may be placed on bicycles portraying the quotes and benefits related to cycling (in regional languages). The flag has to be properly displayed in correct ratio and other parameters as per the Flag Code of India. A sample depicting the way of integration of National flag, cycle and placards/banner is at Annexure-I. A list of illustrative Quotes is also at Annexure-II.

3. It is also requested to ensure wider publicity and maximum participation in the event.
