About the College

Govt. Degree College, Avanigadda was started in the year 1977, to uplift the living conditions of Divi Seema, an interior coastal region of Andhra Pradesh where the lives of the people are much dependent on the mercy of nature to a maximum extent. The college was born when Sri.M.V.Krishna Rao, who was a son of the soil had become Education Minister of Andhra Pradesh, and used his good offices to establish a college in Avanigadda, a place which has access to all corners of Divi Seema. The college was started with Arts and Commerce courses and further expanded with the introduction of science courses in the year 2001.

The College works with a vision to provide holistic education that makes the Island Area, a land of law-abiding citizens that respects the sovereignty of the state and ready to serve the country, to protect national integration and to respect the diversity in culture and ecosystem displaying scientific temperament and unified work and with a mission to impact holistic education by identifying and exploring its core

components, to inculcate moral values, legal awareness among the students and to create awareness of the need to protect the environment especially the rich and diverse ecosystem of the Island area. In order to realize these, the Department of Political Science has been putting forward the best of its efforts joining hands with the unified contribution of the faculty towards the holistic growth of the students.

About the Department

Political Science is the art and science of governance. It is an important basis for humanistic studies, and has been a concern of intellectuals since the time of Aristotle. Studying Political Science can prepare one for various careers that require highly developed skills in both analysis and communication. Some of the career paths one can follow include Political campaigns, government careers at local and national level, law and international organizations. Studying political science can deepen understanding and knowledge of the way the world works.

About the Programme

This workshop aims at contemporary politics in the Indian context. It would likely to cover a range of topics related to politics in India, including recent political developments, key political leaders and institutions, major political challenges and controversies, and broader trends and patterns shaping Indian politics today, the changing nature of electoral politics in India, including shifts in voting patterns and demographic trends, as well as the impact of factors like social media and disinformation and the role of key institutions in Indian democracy, such as the judiciary, the media, and civil society organizations.
