

# Introduction with R.R.K Formulations

15/11/2021

Teaching subject to student is routine work for teaching community. But other Aqua related organisations to students interact is better way to share knowledge. The Department of Aquaculture & Zoology has taken that opportunity to organise a one day Create ornation program for B.Voc Aquaculture students.

We call from R.R.K Formulations (an ISO 9001-2015) introduce as one of the reputed organization in manufacturing aqua culture (fish and Vanami culture medicines) industry since 2016 having their own manufacturing unit in Eluru.

N. Venkateswara Rao, Sales Executive interact with students and give their knowledge to the students and also explain Marketing Executive cum technicians job Role and their importance to the students. And he has call forward to the after completion of Education to create job opportunity.
