## A Brief Report on **NATIONAL WEBINAR**

**23<sup>rd</sup> March 2024.**

**Organized by  
Department of Computer Science.**

## PERMISSION LETTER FROM PRINCIPAL

Date: 17/03/2024

To,  
The Principal,  
Govt. Degree College,  
Avanigadda.

**Subject:** Request for Permission to Organize One Day National Webinar.

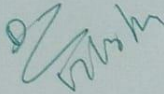

Respected Madam,

The Department of Computer Science is planning to organize a **One Day National Webinar** titled "**Unlocking Insights: The Essential Role of Data Science**" on **23rd March 2024**. The event will be conducted online using the Google Meet platform.

The primary objective of this webinar is to introduce students to foundational concepts in data science and artificial intelligence, explore career opportunities, and provide insights into the project lifecycle in data science. Esteemed resource persons from reputed organizations will deliver the sessions, ensuring participants gain valuable knowledge and skills essential for navigating the dynamic landscape of these fields.

We kindly request your approval to proceed with the necessary arrangements. Your support will enable us to conduct this event successfully and provide a valuable learning experience for the participants.

Thank you for your consideration and encouragement.

Yours sincerely,

N. S. Jyothi 17/3/24

N. Swarna Jyothi

## MINUTES

58

20/3/2024

Departmental Staff meeting:

The Department staff meeting was held on 20/3/2024, under In-charge of N. Swarna Jyothi, Department of Computer Science.

In this meeting we resolved to conduct national webinar on the topic "unlocking Insights- The essential role of data science" on 23-03-2024 from 10:30 am to 1:30 P.m. through Google meet. The Registration link is generated, the whatsapp group is created, and the Invitation will be forward to all the whatsapp groups & students. The Google form is created for generating e-certificates for participants.

- N.S. Jyothi

### About the College

Govt. Degree College, AvaniGadda, located in the interior part of Krishna dt. was started in the year 1977, as a boon to the local people who depended mostly on agriculture and fish farming. It works with a vision to provide holistic education that makes the Island Area, a land of law-abiding citizens that respect the sovereignty of the state and ready to save the country, to protect national integration and to respect the diversity in Culture and ecosystem displaying scientific temperament and unified work and with a mission to impact holistic education by identifying and expiring its core component, to inculcate moral values, legal awareness in the students and to create awareness of the need to protect the environment especially the rich and diverse ecosystem of the Island area. The theme of the Webinar is very much in tune with the vision a mission of the college as it tries to enlighten the futuristic path with the holy light of the past.

### About the Program

**Introduction to Data Science:** Understand data science's role in extracting insights. Exploring AI Opportunities: Discover AI's potential and future prospects.

**Data Science Roles in Industry:** Learn about diverse career paths in data science. Project Life-cycle: Navigate from data collection to deployment efficiently. Join us to gain valuable insights from industry experts. Register now!

## WEBINAR PROGRAMME SHEET

### One Day National Webinar On

**23<sup>rd</sup> March 2024.**

### Programme Sheet

- 10.20 am: Inviting Guest - N. Swarna Jyothi, Department of Computer Science.
- 10.25 am: Opening Remarks by Dr. D| Uma Rani, Principal,  
Govt. Degree College, Avanigadda
- 10.30 am-11.30 am: Technical Session 1
- 11.30 am to 12.30 pm: Technical Session 2
- 12.30 pm to 1.30 pm: Technical Session 3
- 1.30 pm to 1.45 pm: Valedictory

## **REPORT**

The One Day National Webinar on "**Unlocking Insights: The Essential Role of Data Science**" organized by the Department of Computer Science at Govt. Degree College, Avanigadda, successfully introduced participants to key concepts in data science and AI. The event focused on exploring career opportunities, understanding the data science project lifecycle, and equipping students with essential skills. Careful planning and targeted promotions ensured broad participation, with 220 undergraduate students attending in hybrid mode—some joining online via Google Meet and others attending from different government degree colleges on 23-03-2024.

Resource persons Dr. Premkumar Borugadda, Dr. Billa Laxma Reddy, and Shaprapawad Snehit delivered sessions on data science fundamentals, industry roles, and AI opportunities, followed by interactive Q&A segments. Positive feedback highlighted the webinar's relevance and depth, though limited Q&A time and minor technical issues were noted. Overall, the webinar achieved its objectives, leaving participants well-informed and motivated to pursue careers in data science and AI.
